

Achieving Equity and Inclusion

April 24, 2022

Social Welfare Division ICERT in collaboration with the Department of Defense Studies, Jyotiba Phule Government College, Radaur Haryana, India organized a One-Day International Multidisciplinary Convention on

“Contemporary Global Challenges & Opportunities”

This convention held online on April 24, 2022. The convention was a matter of interest for academicians to discuss Social Issues, Contemporary Challenges & Opportunities in Education, Research, Innovation, Science & Technology, Business, Economics, International Relations, Security Challenges, Cyber and Information Warfare, International Humanitarian Law, and Wars, and other topics to achieve equity and inclusion in society.

Objectives:

1. To empower the education fraternity, society, and professionals on converting challenges to opportunities.
2. Reflecting on current challenges
3. Providing opportunity to researchers on brainstorming the global challenges in different domains.
4. Providing an opportunity to global education and research community especially from remote areas to participate in an international event and proving knowledge on global issues and training to convert them as opportunity.
5. Providing a global research platform to researchers and educators.

Four sessions were conducted by the experts on following topics

Session 1: Dr. Pushpanjali Singh, Assistant Professor, Ex-Employee, Ambo University, Ethiopia delivered a lecture on “Education Technology and it's function in 21st Century teaching learning pedagogy”.

Session 2: Prof. (Dr.) Rajender Kumar, Principal, Jyotiba Phule Government College, Radaur Haryana India delivered a lecture on “Contemporary Challenges & Opportunities in Education, Research, and Innovation”.

Session 3: Captain Geetika Singh, Indian Veterans Association Brisbane (QLD) Australia delivered a lecture on “Social disparity in cultural connections.”

Session 4: Dr. Taruna Malhotra, Principal, Vaish College of Education, Rohtak delivered a lecture on “Global Issues and Sustainable Development Goals”

Program Participants/ Beneficiaries:

117 educators, students, research scholars, health and industry professionals from India and Nigeria participated in the program. The program was free and open to all without any discrimination or geographical boundaries.
