Dear Esteemed Authors, Reviewers, Colleagues and Readers,

Greetings and welcome to the very first issue of Edumania. As the Editor-In-Chief of this distinguished publication, I feel an overwhelming sense of gratification to welcoming you all.

On behalf of the Editorial Board, it is with great pride and sincere privilege that I am writing this message to present Edumania -An International Multidisciplinary Journal. Launching Edumania would not have been possible without the great and much appreciated contributions from the editorial and technical team. The robust intellectual support and well-timed contribution of researchers/ authors deserve special appreciatory applause. Our team expects similar sort of sincere dedication from the researchers in near future.

Edumania not only serves as a platform for knowledge-sharing, collaboration, and inspiration, but also a platform for the diverse perspectives and experiences shared our researchers, we aim to provide a wealth of resources that ignite fresh ideas, spark meaningful discussions, and offer practical insights that can inspire action within education fraternity. The aim of Edumania is to publish high-quality papers containing fresh, cutting-edge ideas in different disciplines which

especially merit timely publication. Clearly, and timely publication is extremely critical for the overall success of the research. Articles focus upon concepts, practices and research in multiple disciplines. The journal invites articles in English language only. All articles undergo initial editor screening, peer review and review by the editorial board. Articles/ manuscripts submitted by the authors with author declaration and copy rights to publish are the property of ICERT, the journal is open access journal under Creative Commons Attribution 4.0 International. Edumania is an open access journal which means the content is freely available without any charges to the users or institutions for the welfare of education fraternity and society. Researchers/ users are allowed to download, copy, print, search, or links to the full text articles, etc. for the lawful purpose. The journal doesn't charge any article processing fee or author fee.

The publication of Edumania is from a long process, hence, all essential steps to make it a high caliber scientific publication were taken. We are relying on the alliance of all our researchers, editors, and contributors to make it up to date, vibrant and relevant publication. We hope you will enjoy reading our first issue. We invite you to submit your best articles for publication.

A warm welcome to all!
