

“Cultural Diversity for Sustainable and Equitable Development”

Social Welfare Division of International Council for Education, Research and Training (ICERT) organized one day International Seminar/ Webinar/ workshop on UN and UNESCO World Day for Cultural Diversity for Dialogue and Development

“Cultural Diversity for Sustainable and Equitable Development”

This year UN/ UNESCO World Day for Cultural Diversity for Dialogue and Development focus on promoting the richness of different cultures of the world for sustainable and equitable development. The seminar aims at highlighting the importance for the Protection and Promotion of the Diversity of Cultural Expressions for sustainable development and living together with harmony. The 17 Sustainable Development Goals (SDGs) can best be achieved by drawing upon the creative potential of the world’s diverse cultures and engaging in continuous dialogue to ensure that all members of society benefit from sustainable development.

Broad Objective: The broad objective of the program was to equip and empower the youth, women, educators, professional, and society as a whole on sustainable cultural heritage.
